SHERIFF CANDIDATE CERTIFICATION INFORMATION

All candidates for Sheriff in Sullivan County must become certified by the Peace Officer Training and Standards Commission (P.O.S.T.) in order for their name to be placed on the ballot.

Each candidate is required to file the required information (reference checklist) no later than fourteen (14) days (**FEBRUARY 4, 2010**) prior to the qualifying deadline (**NOON, FEBRUARY 18, 2010**) with the P.O.S.T. Commission. You may file your petition with the election office prior to being certified by the P.O.S.T. Commission.

Failure to file the required information by FEBRUARY 4, 2010 will result in your name not being placed on the ballot. It is highly recommended that you file this information well in advance of the deadline and if mailing the information that you do so by certified mail in order to confirm delivery.

The Sullivan County Election Commission has no involvement in the certification process other than to inform candidates that they must obtain the certification. You cannot file the affidavit with the Sullivan County Election Office. Questions regarding the certification process may be directed to the P.O.S.T. Commission at (615) 741-4461

The address for the P.O.S.T. Commission is:

The rules and procedures of the P.O.S.T Commission are attached.

**FAILURE TO FILE THE REQUIRED INFORMATION BY
